

# MANHATTAN PENTA

---

The Manhattan Penta multifunctional pentagonal seating system can be arranged in endless inspiring combinations, each one slightly different from another. It fits perfectly in both playful, flowing rooms and spaces that call for a touch of whimsy and softness. Manhattan Penta is customisable for all public spaces from schools and waiting areas to cosy offices. The designer's guiding principle is to "make long-lasting products and leave the world in better shape than the how we found it" – an important thought to further develop on your own or together with your team or community.
