

CORPORATE

10 Shelley Street

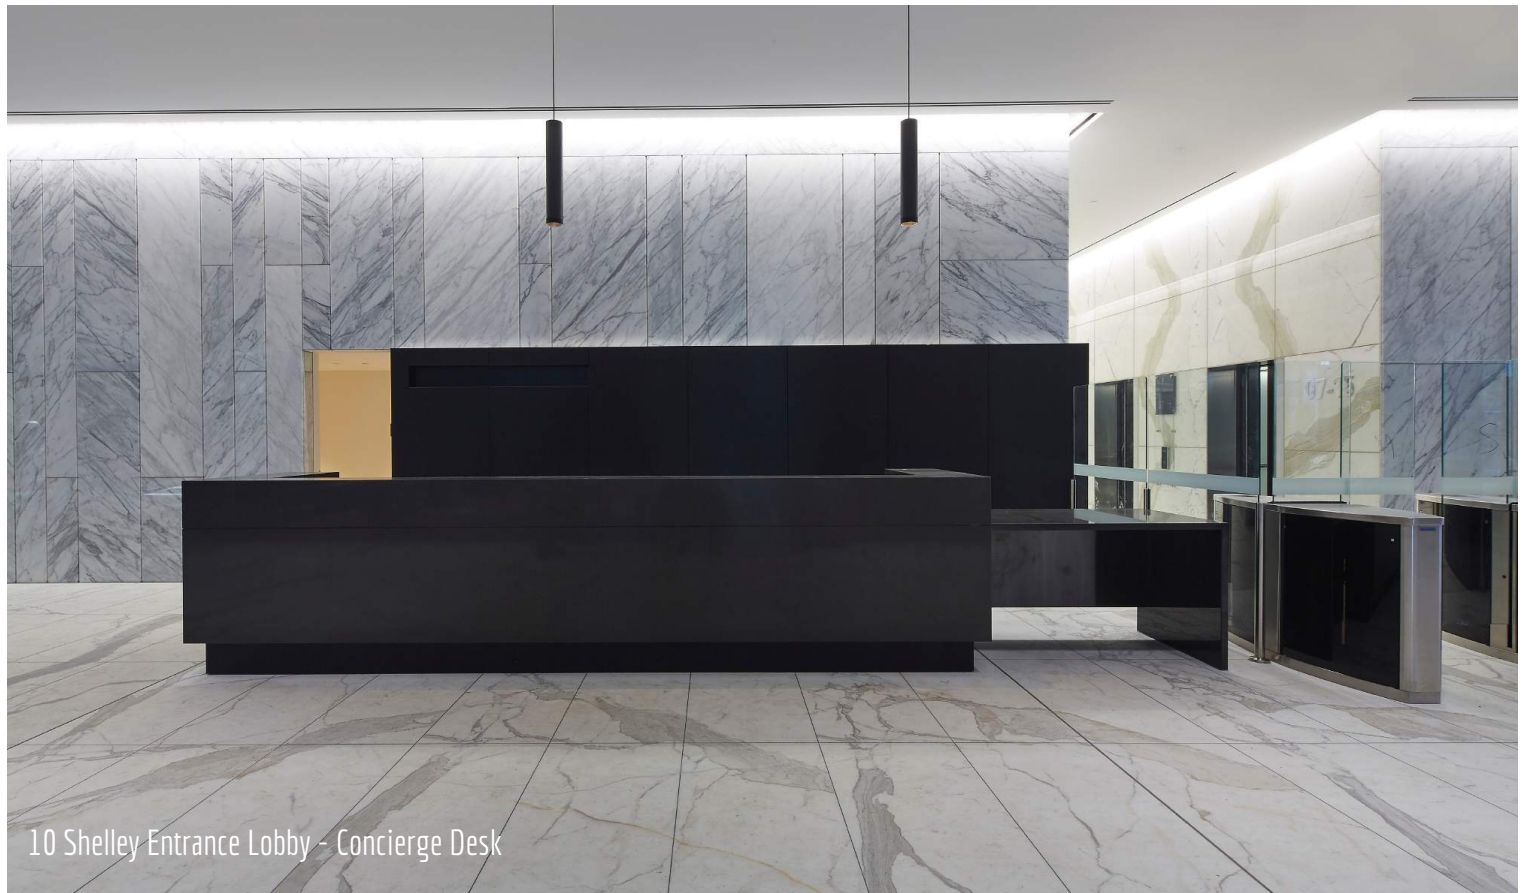

Project Name: 10 Shelley Street
Client: Shape
Designer: Siren Design
Location: Pyrmont NSW
Scope of Work: Concierge Desk Joinery, Lift Lobby Paneling, Served, Rooftop Outdoor Timber Bench Seating with Upholstered Cushions, Dresser, Bench Seating, Storage, Towel Storage, Waste Unit Joinery, Seating, Vanities Joinery, Mirrors.

Overview:

10 Shelley Street building upgrade included concierge desk, lift lobbies, served, amenities and rooftop outdoor seating. The concierge desk is constructed with black powder-coated stainless steel, Ebony polished marble, Forbo desktop, a striking joinery feature against the backdrop of marble walls. On Level 21 rooftop joinery provides an open air facility for occupants. The bay outdoor seating is constructed from steel frame, outdoor bench seat slats hinged for cushion storage below. The sheer size of the seating called for a dramatic delivery where the joinery was craned up the side of the building and onto the roof-top. On Level 16 a striking served was constructed from welded steel, Calcutta marble, natural stone bench-top and stainless steel work benches. The finished result is a striking upgrade and functional space for occupants of 10 Shelley Street.
