

HEALTHCARE

Pennant Hills Day Surgery | Pennant Hills

Project Name: Pennant Hills Day Surgery
Client: Pennant Hills Day Surgery
Project Manager: Greencore Interiors
Designer: Anthony Vavayis & Associates Pty Ltd
Location: Pennant Hills
Scope of Work: Reception, Interview Room, Staff Lounge, Staff Change Joinery , Office, Operating Theatre, Scrub Sink & Splashback, Utility Joinery, Nurses Station

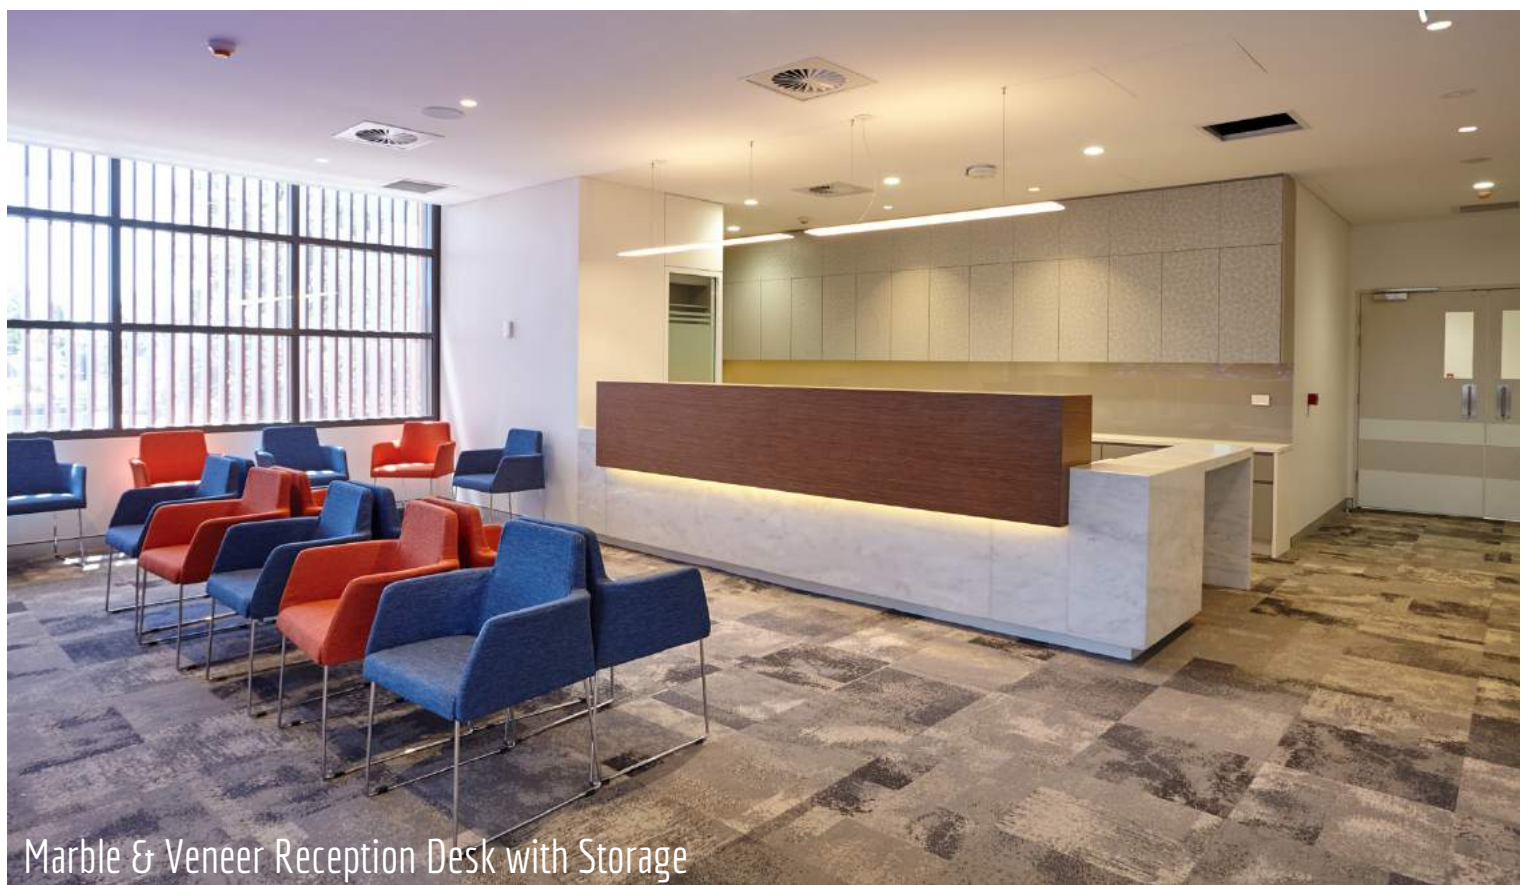

Overview:

The recent fit-out of Pennant Hills Day Surgery fit-out has created a fresh day-hospital to service the community and a functional place for the staff of PHDS to work. From the sophisticated and welcoming reception to staff lockers, linen storage and interview room desks; Aspen manufactured, delivered and installed a complete joinery solution as designed by the architect. Warm neutrals paired with blue tones have a created a welcoming yet sterile aesthetic. Attention to detail in materials such as stone, stainless steel and melamine ensure the fit-out is easy to keep sterile, an imperative requirement of the healthcare industry.
