

HEALTHCARE

Aero Healthcare
Armidale

Project Name: Aero Healthcare

Client: Formline Group

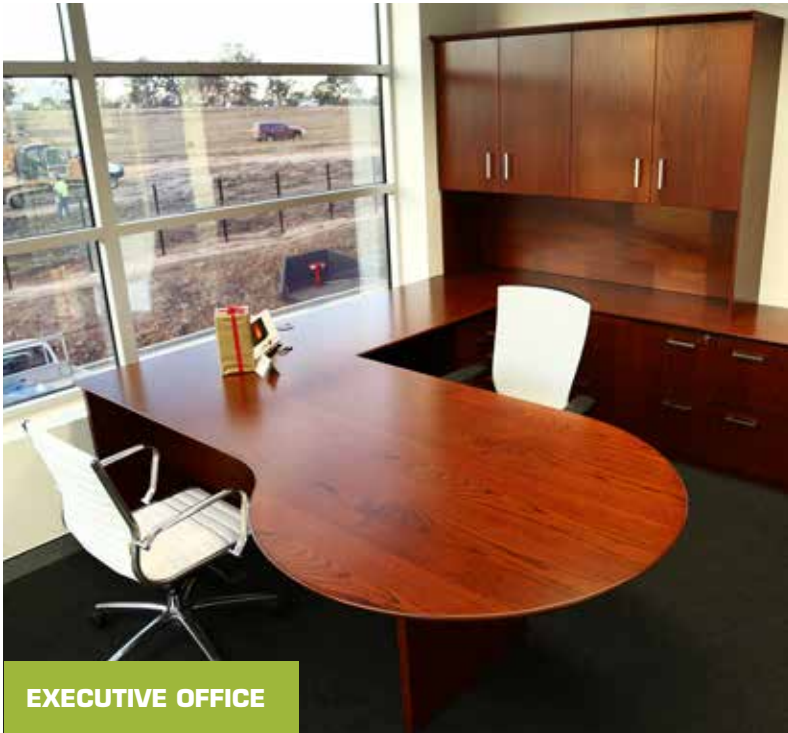

Location: Armidale

Size: 1500m²

Scope of works: Linear Workstations, Workstation Storage Caddies, Veneer Office Settings, Coffee Tables, Storage & Pigeon hole Units, Boardroom Table

Overview: Aero Healthcare's new multistorey offices designed by Formline Group provided a satisfactory workspace for the staff at Aero healthcare. The pleasing design combined an open plan workstation setting surrounded by individual executive offices and a generous breakout. Complementary tones of blue green and white were used throughout the offices to reflect the health industry and provide a fresh and functional workspace to the client's satisfaction.
