Domain Stage 2 - Sydney

- Project Name:** Domain - Stage 2 Level 1
- Client:** Shape
- Designer:** Siren Design
- Location:** Pyrmont NSW
- Scope of Work:** Reception Desk, Reception Credenza, Cafe Bar, Entrance Wall Panelling, Curved Banquette Seating, Open Chat Pod Seating, Credenza Joinery, Storage Utilities, Breakout Kitchenette and Island Bench, Breakout Banquette Seating, Teapoint, Storage Joinery, Multifunction Room Joinery, Parents Room Joinery, Cleaners Storage, Breakout Joinery, Wall Mount Whiteboards, Wall Mount Pinboards, Wall Panelling, Training Rooms, Meeting Room Joinery.
- Overview:** Following the successful manufacture and delivery of architectural joinery for Domain Office Stage One project; Aspen were awarded a second package for stage two of the Domain Office project, in Sydney. We worked with a large scope of materials, manufacturing techniques and finishes to manufacture this striking display of architectural joinery. A custom architecturally designed collaboration pod features sloped veneer panels, timber dowels and comfortable upholstery. Glass white boards, wall panelling and pin boards create flexible and collaborative areas for teams to meet and communicate. Polyurethane, Laminate, Powder-coated Steel, Stone, Veneer, Vinyl and Fabric in muted tones make for a welcoming and quality aesthetic. Aspen enjoyed working with Siren Design and Shape for the delivery of another successful project for Domain.
