## Ovolo Hotel - 1888 Hotel Pyrmont Ultimo Sydney

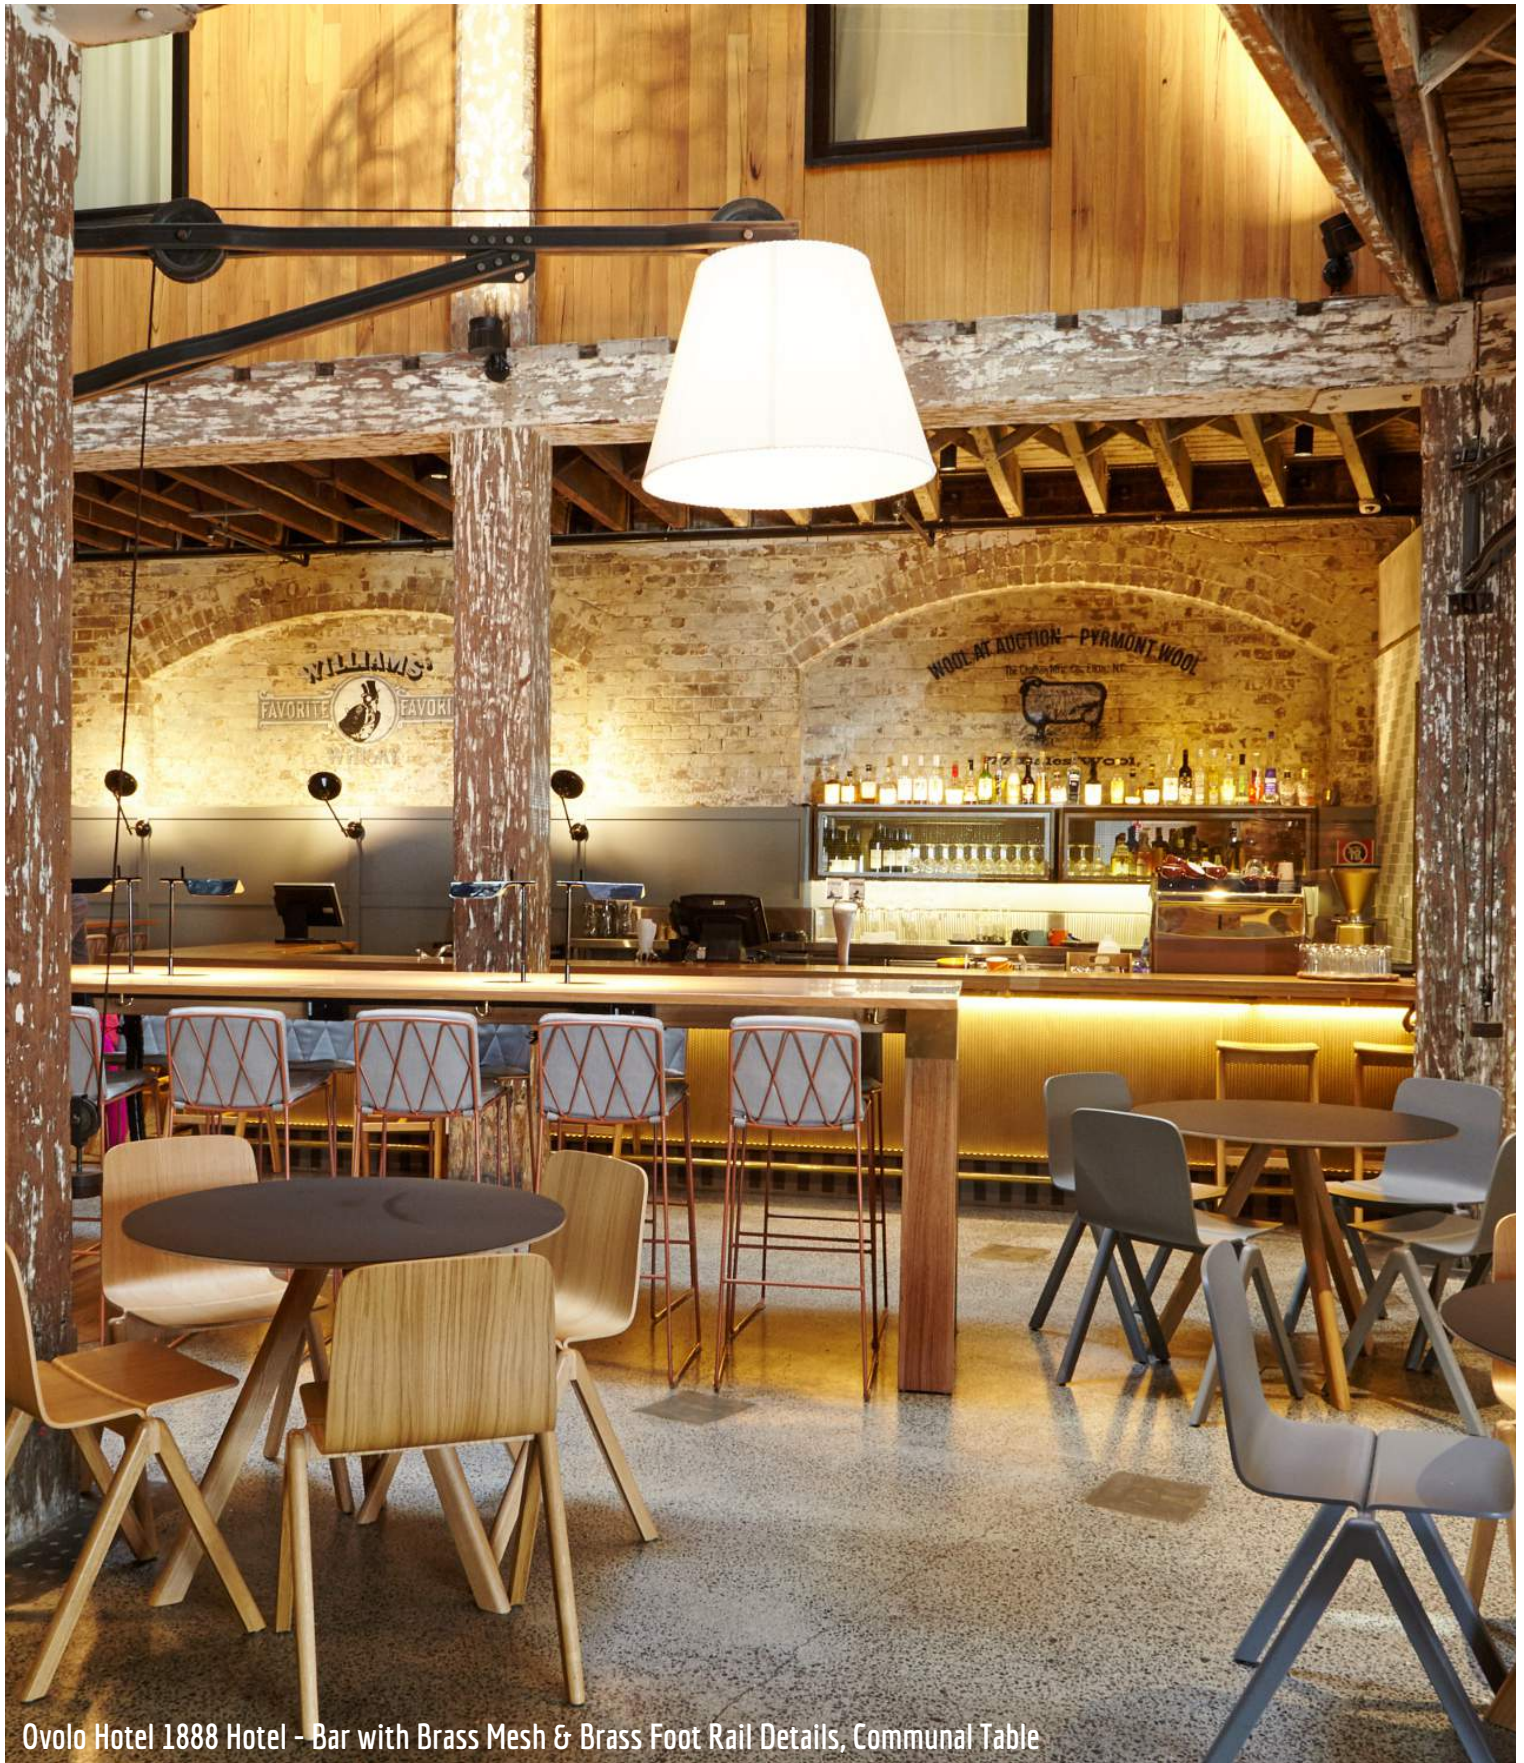

**Project Name:** Ovolo Hotel - 1888 Hotel  
**Client:** Shape Group  
**Designer:** Luchetti Krelle  
**Location:** Pyrmont Ultimo - Sydney  
**Scope of Work:** Reception Desk, Communal High Tables with Brass Features, Banquette Table, Console Tables, Glass Racks in Bar, Bar with Brass Mesh and Brass Footrail Features, Timber Veneer Doors to Kitchen, Bronze Entry Panelling, Laundry Linen Storage, Office Joinery, Meeting Room, Wardrobe Doors, Veneer Desk, Ovolo Entry Feature Wall, Lounge Media Unit, Timber Capping to Rooms, Sliding Timber Doors

**Overview:** The refurbishment of 1888 Hotel in Pyrmont was an impressive transformation. Aspen worked with SHAPE Group to supply custom joinery that brought the Luchetti Krelle's concept and colour palette to an impressive reality. We worked with a range of unique finishes to bring this project together, including polished brass sheet metal and brass mesh on the bar, specialty shaped brass end caps to communal tables and boardformed concrete to the reception desk. Together the Aspen and SHAPE teams were able to complete the project smoothly allowing the hotel to remain operational throughout the course of the refurbishment. A classy blend of quality timber veneers, polished brass accents and exposed timber beams give the hotel an air of welcoming sophistication, a pleasing result.
