

CORPORATE

Bank of China

140 Sussex St, Sydney

Project Name: Bank Of China
Client: Built
Designer: Group GSA
Location: Sydney, NSW

Scope of Work: High-end feature ceilings throughout; Boardroom Barrisol Ceiling Feature, Dining Room Barrisol Ceiling Features, Breakout Area Feature Ceilings, Timber Box Ceiling Features.

Overview: Aspen was engaged by Built to complete the feature ceiling joinery for the sophisticated Bank of China offices in Sydney's CBD. Spanning 9 floors of high-end work points, client spaces, recreation zones and dining rooms, the final fitout boasts state-of-the art finishes, while providing a large range of both working and socialising points for its employees and clients alike.
