

CORPORATE

CRMI WESTMEAD

Project Name: CRMI

Client: Sydney Office Furniture

Architect & Designer: Ancher Mortlock & Wooley

Location: Westmead

Size: 3 floors

Scope of works: Spektrum Groove Open Plan Workstations, Open Bookcases, Executive Office Desking, Executive Office Storage, Workstation Tambour Storage, Workstation Caddies, Planter Boxes, Coffee Table, Ottomans, Partitioning, Boardroom Table

Overview: Aspen worked with Sydney Office Furniture to complete a bright and functional office fitout at CRMI (location). The offices incorporated a number of working areas including open plan workstations, individual workstations, executive office desking and utility desking all using Aspen's Spektrum Groove workstation system for a pleasing uniformity throughout the office. CRMI chose bright blues and greens for their partition screens to match their corporate colours and promote company branding throughout the fitout. A boardroom table, occasional table and ottomans created effective meeting and collaboration areas for a functional and effective working environment
