

CORPORATE

MYOB

17-21 Harcourt Parade
CREMORNE VIC

Project Name: MYOB
Client: SHAPE Australia
Designer: Cachet Group
Location: Cremorne, VIC

Scope of Work: Full height lockers and column shrouds over 4 levels, entry wall panelling, stair void wall panelling.

Overview: Encompassing four levels in one of Cremorne's newest commercial towers, MYOB's new head office boasts a large array of both focused and social zones. The interlinking staircase was designed as a key feature of the space, effectively bringing the four floors together. While encouraging movement and collaboration, the staircase also adds visual interest through detailed custom wall panelling to the full height of the stair void.
