## Armidale Airport Armidale NSW

**Project Name:** Armidale Airport  
**Client:** AW Edwards  
**Designer:** GHD Woodhead  
**Location:** Armidale NSW  
**Scope of Work:** Check-In Counter, Staff Kitchen, Parent Room Bench, Departure Counter, Car Rental Counter, Car Rental Storage, Cafe Joinery

### Overview:

The refurbishment of Armidale's airport is an impressive transformation. Aspen worked with AW Edwards to bring the new space to life and create a fresh, functional area for all staff and travellers. The scope included check-in counters, departure counters, parents room bench, staff kitchen, car rental counter and cafe.

Inspired by industrial raw materials, Polytec's imi-beton grey concrete range was used on the check-in and departures counters as well as the cafe. Other finishes included laminate, corian and flotex vision. This paired with the exposed timber beams and floor to ceiling windows create a very welcoming environment.
