Client: Shape Australia
Location: Mascot NSW
Scope of Work: Reception Desk, Reception Timber Battens, Laser Cut Logo, Mail Room Joinery, Training Room Joinery, Prep Kitchen, Served Bench, Served Island Bench, Social Kitchen, Dining Banquette, Dining Timber Screen, Pinboard Panelling, Whiteboard Panelling, Boardroom Credenza, Utility Unit, Timber Batten Ceilings, Timber Wall Panelling, Showroom TV Unit, Utility Joinery, Storage Cupboard, Reception Credenza

Overview: Mascot Sydney is the home to the new headquarters and training academy of Jaguar & Land Rover. Aspen manufactured detailed architectural joinery as well as wall and ceiling timber battens throughout the office, creating a striking workplace. The joinery blends warm natural veneer colours, stone panels and Corian tops to create a fresh and welcoming environment.
