1 Denison Place
NORTH SYDNEY NSW

Project Name: Qualtrics
Client: FDC
Designer: WMK Architecture
Location: North Sydney, NSW

Scope of Work: Sign In Desk, Entrance Feature Wall, Banquette Seating, Storage, Kitchen Joinery, Boardroom Display Shelving, Custom Mobile Whiteboard, Wall Panelling, Loose Bench Seats, TGIT Bar and Kitchen Joinery, Under Stair Bench, Games Room Window Benches, Multipurpose Kitchen, Utilities Joinery, Meeting Room Wall Panelling, Wall Mounted Shelving.

Overview: As a leading international experience and online survey company, Qualtrics required an office space that would support and reflect their growing place in the technology industry. Aspen Interiors worked with FDC and WMK Architecture to manufacture and install joinery and wall panelling over 2 floors in the newly constructed and technology-forward 1 Denison Place building in North Sydney. The final space boasts multiple work zones, collaboration zones, large breakout areas, boardrooms, kitchenettes, a bar, and a games area. With its industrial style, and warm earthy finishes, this fitout boasts stunning attention to detail, and has resulted in a sophisticated and functional working environment for the Qualtrics team.
