ROBERT BIRD GROUP SYDNEY

Project Name: Robert Bird Group

Client: Axiom Projects

Location: Sydney

Size: 1000m²

Scope of works: Reception Table and Seating, Kitchen, Booth Seating, Column Cladding, Meeting Room & Overhead Storage, IT Room Bench, Store Room Coat Rack

Overview: The Robert Bird Group office fit out proved to be an impressive & aesthetically pleasing design. Features included large quantities of exposed timber with solid black beading and stone, creating a striking and architecturally sophisticated look. A stunning visual accent was created by a yellow corner banquette with matching wall surround & ceiling, providing a comfortable and inspiring place for staff to collaborate. The combination of black laminate & natural timber finishes created an inspiring & dynamic workplace for the Robert Bird Group
