

CORPORATE

Rothschild & Co | Sydney

Project Name: Rothschild
Client: Shape Group
Designer: Bates Smart Architects
Location: Sydney
Scope of Work: Reception desk, metal and leather upholstered reception wall, artwork display alcoves, back of house joinery, kitchen corridor, storage, credenza units, breakout area kitchenette, work zone window upholstery, timber dowel rod screen, executive offices, utility area joinery, coat cupboards, print utility, breakout wall, timber veneer lift lobby's, metal skirting, boardroom column cladding, operable walls, upholstered cladding.

Overview: Rothschild & Co is one of the world's largest independent financial advisory groups. Their newly refurbished office space in Sydney features an sophisticated front of house area complimented by an office space blending open plan work spaces, semi-closed meeting spaces and executive offices, a fusion of elegance and functionality. A superior amalgamation of fine materials and quality craftsmanship blend in luxurious furniture and joinery throughout the space. From leather wrapped panels to brass skirting; the detailed joinery in this fitout required skill and precision. Working closely with Shape, Architects Bates Smart and other trades on site, Aspen successfully manufactured, delivered and installed high end joinery to a constrained time frame.
