

HOSPITALITY

Project Name: Sheraton On The Park Ballroom
Client: Shape Australia
Designer: Scott Carver Architects
Location: Sydney CBD

Scope of Work: Timber Veneer Panelling, Antique Mirror Panelling, Metal Screen Panelling

Overview:

The recently refurbished Sheraton on the Park's Ballroom, Function Rooms and Pre-function spaces are a sophisticated & elegant space to hold events over looking Sydney's Hyde Park. The new-look features a bold and sophisticated colour palette of smoky greys and taupes, dark timbers and touches of brass to elevate the grandeur of the spaces. Aspen were thrilled to work with the team at Scott Carver Architects & Shape Group to make the impressive space covering 1400 m² a reality. Using a variety of high-end finishes including dark timber veneer, bronze laser cut screens and antique mirror the space is a perfect backdrop to stunning events.
