UTS Sydney - Building 10

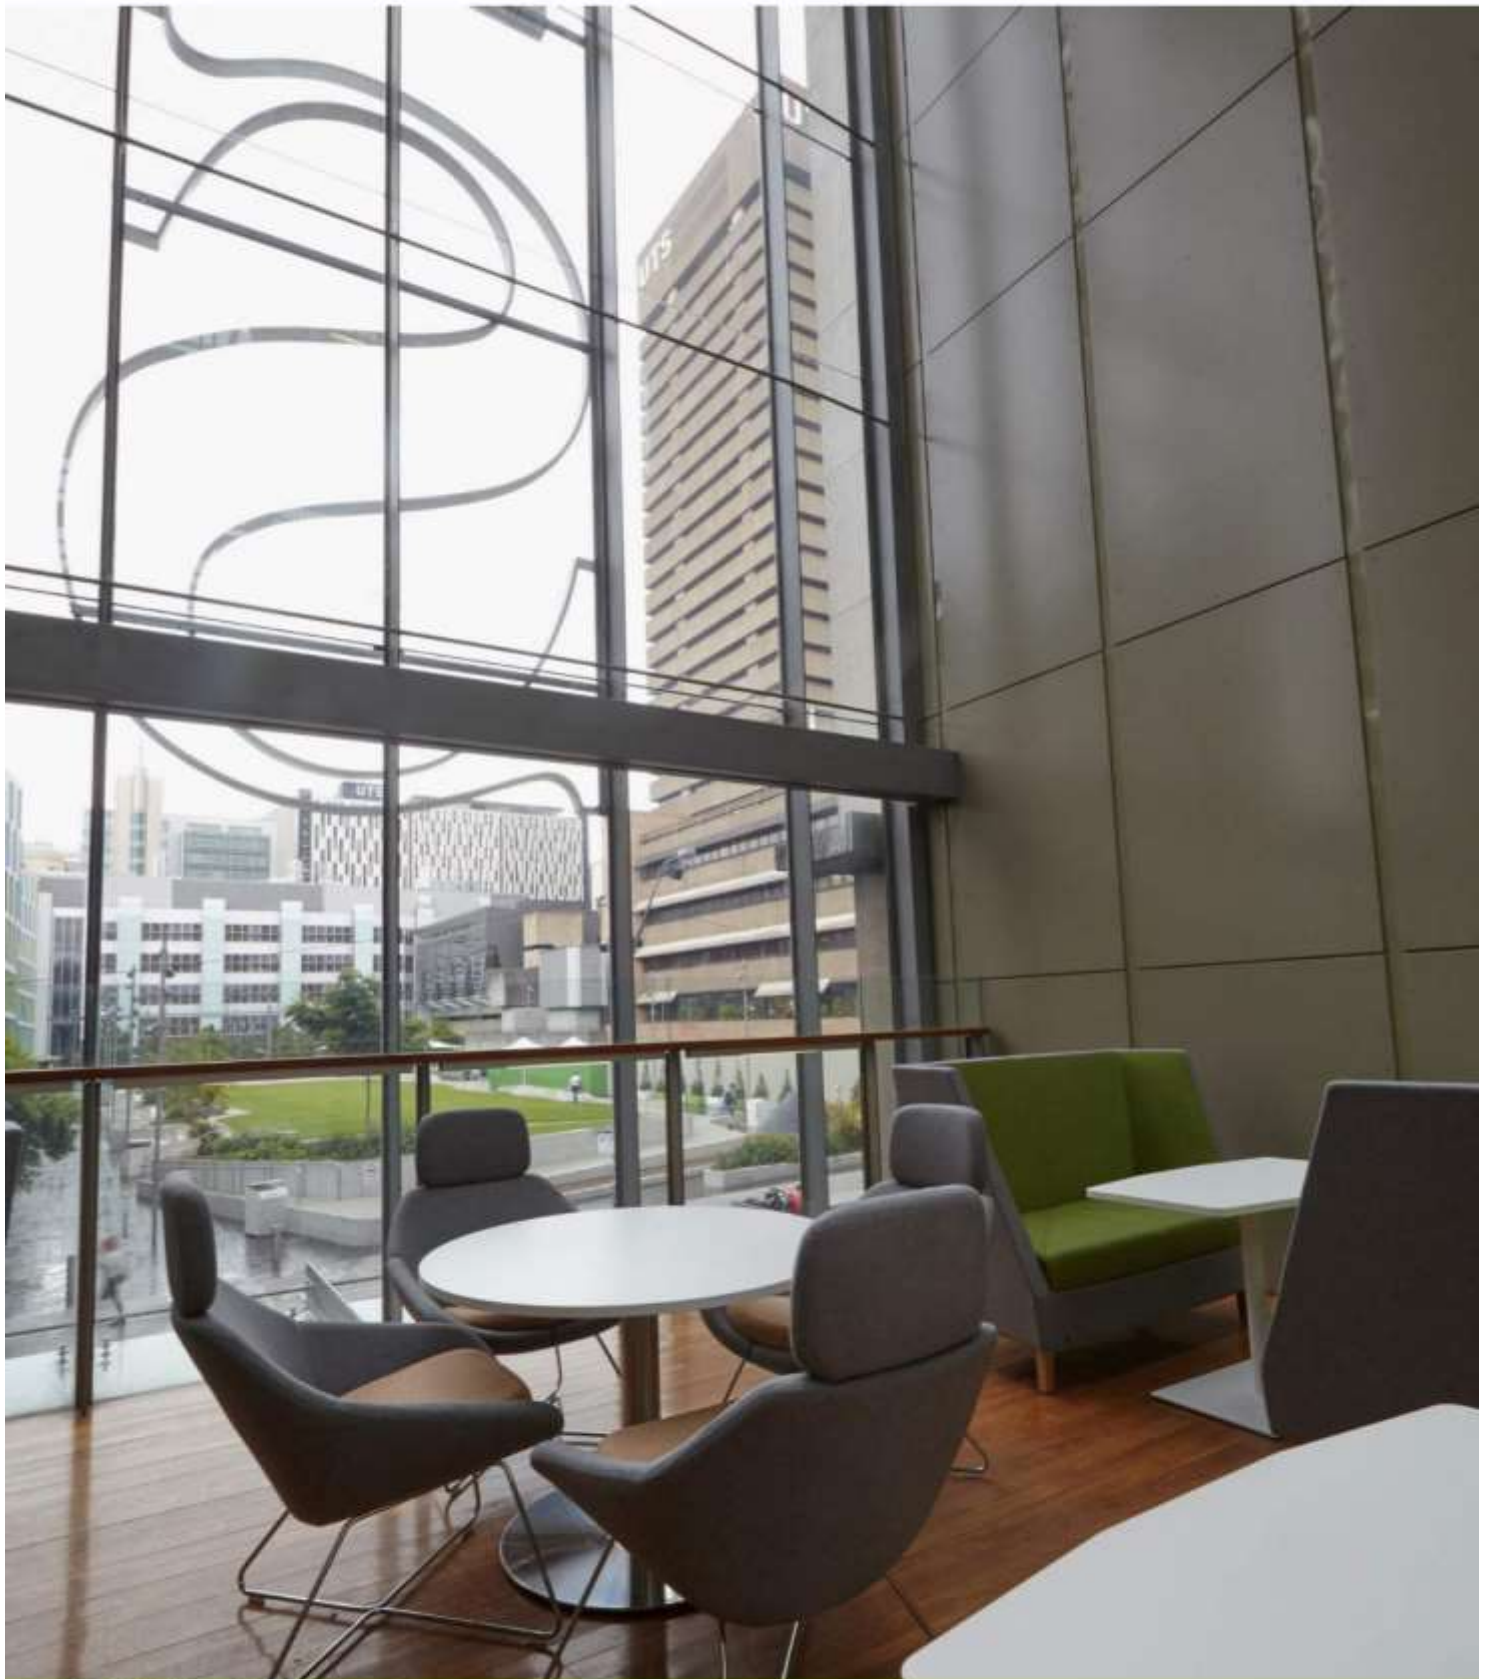

Ultimo - Sydney

Project Name: UTS Building 10
Client: Shape Group Australia
Designer: Gardner Wetherill & Associates
Location: Ultimo Sydney
Scope of Work: Kitchen, Kitchenette, Locker & Planter Box Joinery, Office Storage, Wall Mounted Open Storage with Pin Boards, Modular Breakout Lounges, Utility Joinery, Large Computer Desks, Lecturn Table Tops, Dean's Office, Corian Feature Seating, Workroom Benching, Classroom Joinery, AV Units

Overview: The fitout of Building 10 at University of Technology Sydney (UTS) has provided a colourful, functional and welcoming space for students and staff to work, study and learn. The sprawling open spaces are fitted out with modular open plan seating for student breakout. Aspen worked with Shape Group Australia to provide furniture over 8 floors including solutions for the university's need for a range of breakout space, staff offices and The Dean's office giving university goers functional areas that are enjoyable to work in.
