Unispace Learning Centre

Project Name: Learning Centres

Client: Unispace

Location: Illawarra & Carlingford

Size: 350m² & 325m²

Scope of works: Tea Point, Student Breakout, Collaboration Seating, IT Booths, Staff Support Desk, Quiet Room, Collaboration Table, Team Tables, Brainstorming Booths, Study Booths, Student Pigeon Holes, Banquette Seating, Reading Area, Study Desks, Audio Visual Room, Group Discussion Area

Overview: Learning Centres at two private schools in NSW were designed to embrace a modern learning style of self-directed learning. Expertly blending a variety of learning zones has made the Learning Centres highly flexible, allowing students to engage in multiple activities simultaneously. The strategic combination of dynamic areas, semi-focused learning rooms and high focus study booths imbues an ambience of dedication, commitment and integrity, encouraging students to become independent and creative learners.
