**Overview:**

Western Sydney University (WSU) Liverpool Campus is the latest addition to the University's western Sydney locations. The state-of-the-art building spans over nine floors and was developed to cater over 2,500 students with a focus on nursing, social work, anthropology, criminology and policing programs. Designed by Woods Bagot & project managed by Shape, Aspen were engaged to manufacture a variety of custom joinery, wall panelling and seating for the space. The furniture and joinery caters for a range of working styles and has created a fresh, vibrant place for students of the university to collaborate, work and learn.
