

CORPORATE

Ramsay Health Care

Level 18, 126 Phillip St
SYDNEY NSW

Project Name: Ramsay Health Care
Client: National Projects
Designer: Alkimi Studio
Location: Sydney, NSW

Scope of Work: Wall Panelling throughout, Reception Desk, Coat Store, Finance Store, Reception Store, Boardroom Credenza, Legal Store, Booth Seating, Office Bookshelves, Kitchen & Island Bench, Banquette Seat, Open Storage, Utility Joinery

Overview: Aspen Interiors was engaged by National Projects (NPM) to manufacture and install Joinery and Wall Panelling for the Ramsay Health Care office refurbishment in the renowned Deutsche Bank Building, Sydney. Aspen successfully worked alongside NPM and interior designers, Alkimi Studio, to bring the client's vision to life, including transforming their existing office from a dark and enclosed layout to a bright, warm and inviting space that encourages collaboration and connectivity. Elements such as textured wall finishes, indoor plants, and a warm colour palette, successfully tie the separate zones together, creating a relaxed and comfortable environment for the private healthcare provider.
