

CORPORATE

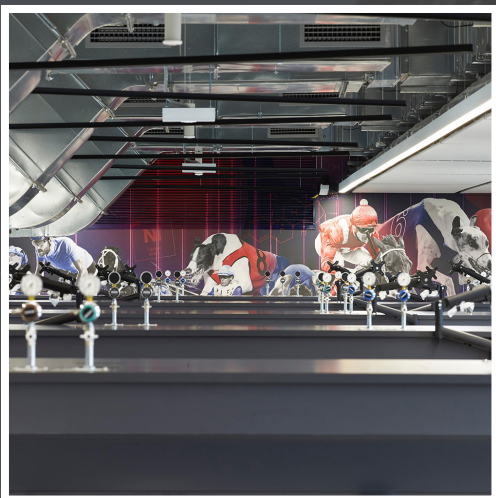

RASL

400 Epsom Road
FLEMINGTON VIC

Project Name: Racing Analytical Services Limited (RASL)
Client: Axiom Workplaces
Location: Flemington, VIC

Scope of Work: Mobile Lab Benches, Lab Stations, Mobile Lab Storage, Maintenance Room Joinery, Production Room Joinery, Stationary Storage, Clean Room Joinery

Overview: As Australia's largest independent drug testing laboratory, RASL worked closely with Axiom Workplaces and Aspen Interiors to transform their space into an efficient and practical workplace. Aspen were engaged to manufacture a large number of custom mobile storage units and lab benches in specialized finishes specifically for use in a lab environment. Due to high use of the space, longevity and practicality was considered in finish colours and material selection, whilst keeping the space feeling fresh and modern.
