ABOUT US

AUSTRALIAN-OWNED WITH A WEALTH OF EXPERIENCE

Aspen Commercial Interiors is a manufacturer of commercial furniture & joinery with more than three decades of experience in the industry. Established in 1989, we have since pioneered and paved the way for newer innovations in the contemporary interiors sector.

MASTERFUL CRAFTSMANSHIP AND QUALITY PROCESSES

Focused on manufacturing premium-grade and innovative commercial furniture and joinery, providing functional interior solutions to our clients nationwide. We uphold the strictest quality standards for the materials we source, our expert craftsmanship, and even our knowledgeable and friendly service to commercial interior fit-out companies, builders, architects and interior designers.

ACCESSIBLE PROFESSIONAL SERVICE

With three sales and two manufacturing facilities and a wide network of distributors, we are well-situated to provide you with a fast and professional service, wherever you are located.

MICROOFFICE PRIME PHONE BOOTH

The signature minimalist design of MICROOFFICE PRIME, along with a solid roof and both glass and solid walls, provides functional acoustics that will completely separate you from office noise. You'll be able to preserve a quiet connection with colleagues, all while maintaining a pristine sonic detachment from your surroundings.

ARMARIO FREESTANDING LOCKER

ARMARIO is more than a single piece of furniture or a standard locker unit. Fully customisable from dimensions to finishes and access options, ARMARIO is also modular; connect multiple units to create functional dividers within office spaces. Boasting the latest in minimal, touch-free Bluetooth access, ARMARIO sets a new standard for personal storage in commercial spaces.

BARRETT STORAGE & DISPLAY UNIT

Part display, part storage, BARRETT is the classic mobile solution to the ever-present need of storage space in a modern office. Combining sleek timber veneer with metal-wrapped push catch doors and matte metal rods, Barrett is a freestanding furniture piece which seamlessly brings functionality and elegance together.

CIRCULO SWITCH COLLABORATION TABLE

The newest addition to the Circulo family, SWITCH changes things up completely, offering carefully considered design features for ultimate usability and aesthetics. With a sleek trapezoidal top and height-adjustable base, this table works in every situation. Whether facing a screen for virtual meetings, or as a standalone table for casual conversations, its inbuilt power options, linoleum top and solid timber trims add sophistication to every office.
