

# MERIDIAN SQUARE LEG WORKSTATION

---

The Meridian range is a leader in workstation versatility and adaptability, with its classic square leg and limitless possibilities to customise tops and screens. With concealed cable management, anti-collision technology, and flexibility of top size, Meridian comes in both Single and Back-to-Back configurations to suit every office environment and space constraint. Orka is paired with the latest in Bluetooth technology for a smooth height adjustment, remote control, 4 memory heights, and stand reminders.
